School Profile 2025-2026

TAIPEI MUNICIPAL ZHONG ZHENG SENIOR HIGH SCHOOL

About Our School

The campus of Taipei Municipal Zhong Zheng Senior High School (TMZZSH) is extensive, and the school has abundant educational resources. In addition to following the Ministry of Education's 12-Year Basic Education Curriculum Guidelines for high schools in Taiwan, the school offers general high school programs as well as gifted programs in art, music, dance, and sports. It also provides various international courses.

Total enrollment	Teaching faculty	81% of faculty have MAs or PhDs
2000	200	

With a development focus on technological advancement and internationalization, Zhongzheng Senior High School provides a diverse curriculum to support students' varied interests and goals. Students perform well in both local and international university admissions and demonstrate enthusiasm for learning and engagement with social issues. The school fosters self-directed learning, problem-solving, and public participation, embodying the school's student profile.
